GROUP 2100

Sir:

Noted
This is responsive to the Advisory Action mailed July 20, 1994.

We understand from the Advisory Action that the amendments to the claims in the Amendment After Appeal have been entered. That will simplify the issues in the present Appeal.

On the other hand, the amendment to the specification has not been entered.

We believe that this case is now being submitted to the Board of Appeals for scheduling of an Oral Hearing. If the above understanding is incorrect, the Patent Office is requested to notify the undersigned.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Washington, D.C. 20231, on July 27, 1994:
